

Terms and Conditions of Purchase

Do not insure shipments to Spirit unless specifically authorized to do so.

Signed manufacturer's C of C required on all shipments, Spirit requests the addition of manufacturer's CAGE code when possible.

In addition to and not in limitation of the provisions or quality attachments incorporated by reference in this order, buyer, buyer's customer, and/or regulatory agencies shall have right of entry to any and all facilities necessary, at any level of the supply chain involved in the order and to all applicable records, to determine and verify the quality of contracted work, records, and material.

Spirit must be notified of nonconforming product and approval must be obtained for nonconforming product disposition.

Spirit must be notified in advance of any changes in product and/or process, changes of suppliers, and changes of manufacturing facility location where such changes to materials and/or processes may affect product quality.

Contracted work, records, and material - It is the supplier's responsibility for flowing down any applicable requirements, including key characteristics to sub-tier suppliers.

Supplier on-time delivery is defined as delivered to Spirit's dock up to 5 days prior to and 0 days after originally quoted dock date.

Spirit's counterfeit parts prevention policy is to only supply product to our customers that has been procured directly from our franchised manufacturers or to supply product with direct trace-ability to the franchised manufacturer. The definition of counterfeit parts is as follows:

"Counterfeit Parts" shall mean a part, component, module, or assembly whose origin, material, source of manufacture, performance, or characteristics are misrepresented, This term includes, but is not limited to, (A) parts that have been (re)marked to disguise them or falsely represent the identity of the manufacturer, (B) defective parts and/or surplus material scrapped by the original manufacturer, and (C) previously used parts pulled or reclaimed and provided as "new".

Supplier must ensure that its personnel are aware of their contribution to product and service conformity, product safety, and the importance of ethical behavior.
